Dear Supervisors:

**ADOPTED**

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

17 October 29, 2013

*Sachi A. Hamai*  
SACHI A. HAMAI  
EXECUTIVE OFFICER

**APPROVE AMENDMENT NO. 3 TO LEASE AGREEMENT NO. 58046  
AND DONATION AGREEMENT NO. 58048  
ACCEPT TRANSFER OF TITLE TO ACQUIRE REAL PROPERTY BY DONATION  
DEPARTMENTS OF PUBLIC WORKS AND PUBLIC SOCIAL SERVICES  
335-349 AVENUE K-6, LANCASTER  
(FIFTH DISTRICT)  
(3 VOTES)**

**SUBJECT**

Approval of the recommended actions will authorize amending the lease agreement and donation agreement to allow the County to acquire by transfer of title, the entire leased premises consisting of approximately 7.1 acres of real property improved with two 51,000 square foot buildings located in the City of Lancaster by donation from the Lessor/Owner.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Consider the Negative Declaration for which no comments were received during the public review process and find on the basis of the whole record before the Board that this project will not have a significant effect on the environment, find that the Negative Declaration reflects the independent judgment and analysis of the Board, and adopt the Negative Declaration.
2. Approve and instruct the Chairman to sign the lease amendment with Frank Visco (Lessor/Owner), that includes the buyout of the remaining two months of the lease term, authorizing a lump sum payment of \$360,361 for rent obligations through the end of February 2014, terminating the lease agreement, and to amend the donation agreement to reflect the decrease in the term of transfer of the subject property by donation from the end of February 2014 to the last day of December 2013 or sooner. The lease costs for the Department of Public Social Services is 91

percent State and federal funding, 9 percent net County cost, and the lease costs for the Department of Public Works is 100 percent net County cost.

3. Order the acceptance of the transfer of title to acquire the real property consisting of an approximately 7.1 acre parcel of land and improved with two separate 51,000 square foot buildings with appurtenant parking, located at 335-349 East Avenue K-6, Lancaster, in accordance with Section 25353 of the Government Code.

4. Authorize the Chief Executive Officer or his duly authorized representative to take all further actions necessary and appropriate to complete the transaction, including opening and management of escrow, any administrative adjustments to the transfer documents, and execution of the requisite documentation for the completion of the transfer.

5. Request the Assessor to remove the subject property from the tax roll effective upon transfer of title.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The Owner/Lessor (Visco) constructed two separate office buildings consisting of approximately 51,000 rentable square feet each together with adjacent surface parking on a 7.1 parcel of land located at Gingham Avenue and Avenue K-6 in the City Lancaster (Property) for lease to the County of Los Angeles (County). Visco and County entered into an agreement to lease both buildings in November 1987 (Lease Agreement No. 58046) that included a donation agreement granting all title and interest in the leased land and improvements to the County upon termination of the lease term.

Visco has approached the County with a proposal to terminate Lease Agreement No. 58046 early in order to take advantage of certain tax benefits by transferring title to the County before the end of 2013. In recognition of Visco's cooperation with the development of the Property and long standing relationship with the County, the parties have agreed to a lump sum buyout for the County's remaining rent obligation (until and including February 2014) in exchange for a rent credit adjustment to the County in the amount of \$25,000. The parties have agreed to open escrow to consummate the transfer of title, deposit the County's lump sum rent obligation and property tax payment, order and review all necessary title documents, satisfy any and all secured debts and liens encumbering title to the donated property, and to fulfill the County's obligations associated with the donation including a plaque commemorating Visco's transfer of title to County.

### **Implementation of Strategic Plan Goals**

The Countywide Strategic Plan Goal of Fiscal Sustainability (Goal 2) directs that we strengthen and enhance the County's capacity to sustain essential County services through proactive and prudent fiscal policies and stewardship. Approving the proposed action is consistent with that goal in that the termination of lease and subsequent donation of the Property will provide a valuable asset to County.

### **FISCAL IMPACT/FINANCING**

The proposed lease amendment will provide a decrease in the term of the transfer of the Property from the last day of February 2014 to the last day or sooner of December 2013, and to lump sum pay into escrow approximately \$360,361 for rental payments through February 2014, and approximately \$99,529 in property tax payments for the first installment of the subject fiscal tax year as required in the lease.

This is a triple net lease whereby the County is responsible for all utilities, operating, and maintenance costs. The rent has been the same since the lease commenced. Sufficient funding for the proposed lease cost is included in the Fiscal Year (FY) 2013-14 Rent Expense budget and will be billed back to the Departments accordingly. The Department of Public Social Services (DPSS) has sufficient funding in its FY 2013-14 operating budget to cover the projected lease cost. State and federal subvention will be used to fund 91 percent of the rental costs, and the remaining 9 percent will be net County cost. The Department of Public Works (DPW) has sufficient funding in its FY 2013-14 operating budget to cover their projected lease cost. The rental costs for DPW is 100 percent net County cost.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The proposed lease amendment contains the following conditions:

- Decrease the term of the transfer of the land and improvements from the last day of February 2014 to the last day or sooner of December 2013.
- Lump sum pay into escrow approximately \$360,361 in rental payments through February 2014, and approximately \$99,529 in property tax payments for the first installment of the subject fiscal tax year.

In order to accept the donation of the property, County has authorized completion of a preliminary title report, which reveals no claims or encumbrances would significantly affect or impair the Property's title. Additionally, as required by Government Code Section 65402, the proposed acquisition was submitted to the City of Lancaster Planning Department. The Lancaster Planning Department has determined that the use is in compliance with its General Plan.

A Phase I Environmental Assessment was completed and concluded that there is no evidence of recognized environmental conditions to address or mitigate. CEO has satisfactorily completed its due diligence with respect to the acquisition of the property.

Acceptance of the Property is authorized by Section 25353 of the California Government Code, which allows the Board to receive real property by donation for use by the County or for County purposes.

County Counsel has reviewed the Amendment No. 3 to Lease No. 58046 (Attachment A), Donation Agreement No. 58048 (Attachment B), and Grant Deed (Attachment C) related to the proposed conveyance. County Counsel has approved them as to form.

### **ENVIRONMENTAL DOCUMENTATION**

CEO has made an initial study of environmental factors for the project in compliance with the California Environmental Quality Act (CEQA). The initial study showed that there is no evidence that the exercise of the option to purchase the Property will have a significant impact on the environment. Based on the initial study, a Negative Declaration has been prepared and a notice posted at the Property as required by CEQA Guidelines Section 15072. No comments were received during the public review period. Copies of the completed initial study, the resulting Negative Declaration, and the Notice of Preparation of Negative Declaration, as posted, are attached. A fee must be paid to the State of California Department of Fish and Game when certain notices required by CEQA are filed with the Registrar-Recorder/County Clerk; however, the County is exempt from paying this fee when

the Board finds that the project will have no impact on wildlife resources. This project is located on previously developed and urbanized land, and the Initial Study incorporated in the Negative Declaration concluded there will be no adverse effect on wildlife resources.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

There will be no impact on or disruption of County services.

**CONCLUSION**

It is requested that the Executive Office, Board of Supervisors return two original copies of the signed lease amendment and donation agreement, and the adopted, stamped copy of the Board letter to the Chief Executive Office, Real Estate Division, 222 South Hill Street, 4th Floor, Los Angeles, CA 90012, for further processing. Additionally, please forward one adopted, stamped copy of the Board letter to the Departments of Public Works and Public Social Services.

Respectfully submitted,

3. DONOR'S COVENANTS

A. Transfer

On the transfer date stated in Section 1 hereinabove, DONOR or his heirs or assigns or representative thereof will execute and deliver a fee simple interest in the real property described in "Attachment A", as improved according to the LEASE. The donation of this additional Phase II property shall be subject to any remaining encumbrances owing thereon resulting from the original construction, which COUNTY agrees to assume in the event County chooses to request and accept donation by letter from the Director of Facilities Management no later than 180 days prior to the expiration of the lease agreement.

C. Publicized Ceremony

COUNTY shall hold a dedication/unveiling ceremony relative to naming of the building and unveiling of the plaque and plaque monument, which ceremony shall be the subject of press releases and public notices.

5. WAIVER OF RIGHT TO CHALLENGE SUFFICIENCY OF CONSIDERATION

DONOR and COUNTY both knowingly and under the advice of counsel agree to and do hereby mutually waive the right to challenge the sufficiency of the consideration given by the other party to the agreement or to make any claim or file any lawsuit to rescind this agreement based upon insufficiency or inadequacy of consideration.

AMENDMENT NO. 1 TO DONATION AGREEMENT NO. 58048

This Amendment to Donation Agreement No. 58048 is made and entered into this 26th day of July 1988. By and between FRANK A. VISCO, hereinafter referred to as the "Donor" and the County of Los Angeles, a body politic and corporate, hereinafter referred to as "County".

WHEREAS, Donor and County made and entered into a Donation Agreement No. 58048 on November 3, 1987 by which Donor, his heirs or assigns, or representatives will execute and deliver a grant deed transferring to County a fee simple interest in real property with a legal description as set forth on "Attachment A" to Agreement No. 58048 hereinafter described as Phase I; and

WHEREAS, Donor and County had entered into a long-term lease, Agreement No. 58046, whereunder Donor is obligated among other things to construct two buildings, a 51,000 square foot building and an 18,200 square foot building, with 346 parking spaces on said real property for occupation principally by certain County offices, together with an additional 18,200 square foot structure in a second phase with 91 adjoining parking spaces. The two 18,200 square foot buildings were to be used by Donor as he sees fit during the term of the lease with the County reserving rights of first refusal and options to lease this additional space; and

WHEREAS, Donor and County have made and entered into Amendment No. 1 to Lease No. 58046 (the amended lease), a copy of which is attached hereto as "Attachment B-1", whereunder Donor is now obligated among other things to construct for County's expanded space requirement an additional 51,000 square foot building along with an additional 255 parking spaces hereinafter described as Phase II instead of two separate buildings of 18,200 square feet each, and

WHEREAS, Donor is in the frame of mind to, at the termination of said amended Lease to include the aforementioned Phase II real property together with Phase I real property in a donation to the County.

Now, therefore, the parties hereby agree to amend said Donation Agreement No. 58048 as follows to become effective upon approval of the Los Angeles County Board of Supervisors.

**AMENDMENT NO. 2 TO LEASE No. 58046  
AND AMENDMENT NO. 1 TO DONATION AGREEMENT NO. 58048  
335-349 AVENUE K-6, LANCASTER  
PUBLIC SOCIAL SERVICES AND  
CHILDREN AND FAMILY SERVICES**

This Amendment No. 2 to Lease is made and entered into this 19th day of October, 2004, by and between FRANK A. VISCO referred to as "Lessor", and the COUNTY OF LOS ANGELES, a body politic and corporate, hereinafter referred to as "Lessee".

**WHEREAS**, the COUNTY OF LOS ANGELES, as Lessee, has entered into that certain Lease dated November 3, 1987 as amended July 26, 1988, for land and free standing building office space together with adjacent surface parking for 255 spaces for Lessee's exclusive use located at the northeast corner of Gingham Avenue and Avenue K-6, Lancaster, as legally described in Exhibit "A" attached hereto (the "Land and Improvements"), and,

**WHEREAS**, the COUNTY OF LOS ANGELES, as Lessee, also entered into that certain Donation Agreement dated November 3, 1987, referred to as "Donation Agreement" with Lessor (also called Donor) as amended July 26, 1988, for the Donor or his heirs or assigns to execute and deliver a fee simple interest in the Land and Improvements which conveys an unencumbered reversion in the Land and Improvements to Lessee at the end of the Lease, and,

**WHEREAS**, the parties are now desirous to amend said Lease to decrease the term of the Lease from May 31, 2014 to the last day of February 2014, effective upon approval by the Board of Supervisors, County of Los Angeles, and,

**WHEREAS**, the parties are now desirous to amend said Donation Agreement No. 58048 to decrease the term of the transfer of the Land and Improvements from May 31, 2014 to the last day of February 2014, effective upon approval by the Board of Supervisors, County of Los Angeles, and,

**NOW, THEREFORE**, in consideration of the foregoing recitals, which are hereby deemed a contractual part hereof and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and the rents, covenants and agreements herein contained, the Lessor and Lessee hereby agree as follows:

1. **Paragraph 2 TERM**, of the Lease shall be amended by adding the following:

The term of the Lease is hereby decreased such that it shall expire on the last day of February 2014.

AUG 30 2004

2. Paragraph 9 REPAIR, MAINTENANCE AND REPLACEMENT, shall be deleted in its entirety and the following shall be added:

Lessee shall upon commencement of Amendment No. 2 to Lease 58046 terminate payment of an amount equal to three percent (3%) of the monthly rent, approximately \$3,603.61, which had been deposited by Lessor into an interest bearing account specified by Lessee to be maintained by Lessor for the purpose of maintaining the basic structure and for repairing latent defects if any as defined in Paragraph 9a. Additionally, all funds from this account, amounting to \$315,496.70, less an amount not to exceed \$250,000 which will be used to perform approved deferred maintenance, shall be returned to the Lessee, County of Los Angeles by the Lessor, Frank A. Visco. Should Lessor fail to return said funds within thirty (30) days commencement of this Amendment No. 2, Lessee, at its sole option may declare this Amendment No. 2 to Lease No. 58046 null and void.

Lessee also agrees to keep in good repair, replace and maintain at Lessee's own expense the basic structure during the remaining term of the lease. "Basic structure" is agreed to include: the foundation, roof, sub-flooring, concrete floor slab, bearing and exterior walls, concealed plumbing, sewer lines, electrical lines, electrical systems, elevator, including shaft and pit. Lessee further agrees to and pay for all repair and maintenance of the grounds, landscaping, lamps and tubes, exposed and concealed plumbing, painting, fire sprinkler system, floor covering and window coverings, ceilings, janitorial services and supplies, security and trash removal and other repairs of a structural and non-structural nature.

Notwithstanding any provisions of this Agreement to the contrary, Lessee at its sole option, acting through the CAO, may request the Lessor to perform, supply and administer any such repairs and replacement listed above and reimburse Lessor for such costs as an additional rent. Lessor agrees that his administrative costs and profit and overhead will not exceed a maximum of four percent (4%) of the direct costs associated with such repairs and maintenance work.

3. Paragraph 17 INSURANCE, shall be amended by deleting Paragraph 17A and Paragraph 17B. 1.a. and 1.b. and Paragraph 5 and the following shall be added:

Lessee, acting through the CAO, shall at its sole option, request Lessor to provide Insurance (Fire, Liability and Extended Coverage), as long as it meets the requirements of the Lessor's lender and CAO/Risk Management, and may reimburse Lessor for such direct costs as an additional rent.

*Pr*

**4. Paragraph 30 TENANT IMPROVEMENTS** of the Lease is hereby added as follows:

Lessee at its sole option, acting through the CAO, may request the Lessor to perform, supply and administer additional tenant improvements and reimburse Lessor for such costs as an additional rent. Lessor agrees that his administrative costs and profit and overhead will not exceed a maximum of four percent (4%) of the direct costs associated with such repairs and tenant improvements. Additionally, Lessor shall provide an allowance for Tenant Improvements costs and/or minor hard construction. Lessee may authorize Lessor after review of estimates and written approval of the Chief Administrative Officer or his designated representative to pay for tenant improvements up to a maximum aggregate total of \$1,530,000, i.e., \$30.00 per rentable square foot. Lessee agrees to reimburse Lessor for all Tenant Improvement costs actually used by Lessee, by amortizing the same over the remaining term of the Lease or a ten year term, whichever is less, at the interest rate of seven percent (7%) per annum. The Lessee may at anytime during the Lease term pay Lessor, or his designee, all or any portion of the Tenant Improvement cost without penalty and reduce the rental rate accordingly. Lessor will notify Lessee of the tenant improvement final cost, and the amount payable monthly by Lessee in addition to the rent. For purposes of ascertaining the actual cost of said tenant improvements, Lessor shall provide to Lessee, a detailed breakdown of the total costs of constructing the tenant improvements and execute a summarized breakdown of the total costs of the tenant improvements with the right to audit these costs for a period of twenty-four months from the date of completion and acceptance by Lessee of the tenant improvements.

**5. Paragraph 31 LIMITATION OF AUTHORITY** of the Lease is hereby added as follows:

Only the Board of Supervisors has the authority, by formally approving and/or executing this Lease, to bind the County to the terms included herein. Lessor understands that no material terms of the Lease may be altered or deleted, nor may any new material terms be added to the Lease, without the express written approval of the Board of Supervisors, either through an amendment to the Lease or by other formal Board action.

No County officer, employee, agent, or independent contractor has any authority to alter, add or delete the material terms of this Lease; and Lessor may not rely upon any representations to the contrary.

This limitation of authority applies to all material terms of the Lease including, without limitation, any monetary ceiling established for tenant improvements or other project costs of Lessor which are subject to reimbursement by County. **County shall not reimburse Lessor for any expenses which exceed this ceiling.**

IN WITNESS WHEREOF, the Lessor has executed this Amendment or caused it to be executed, and the County of Los Angeles by order of its Board of Supervisors, has caused this Amendment to be executed on its behalf by the Chairman of said Board and attested by the Clerk thereof the day, month, and year first above written.
